Jeffrey L. Hoffer has been a practicing attorney in Los Angeles and Ventura County, California for the past twelve years. He attained his undergraduate degree from the University of California, San Diego in 1989 and his Juris Doctor from Pepperdine University School of Law in 1992. He is a member of the Law Practice Management and Technology and Family Law Sections of the State Bar of California. He is also a member of the Ventura County Bar Association and volunteers as a Judge Pro Tem in the Ventura County Superior Court.

His representation is dignified, compassionate, and aggressive. While he believes very strongly in resolving divorce and family law matters without involving the court system, he also believes that if it is necessary to resort to litigation, then it should be done without delay.

He began emphasizing the representation of men because he had come to feel that men have come out on the short end of the stick for too long. Many fathers do not see their children enough and as a result end up paying too much in child support. Also, many husbands are compelled to pay too much spousal support for too long. You have rights. he can help you assert them effectively.

His office is located in Westlake Village, California, which is part of the City of Thousand Oaks and right on the border between Los Angeles and Ventura Counties. The office is freeway accessible and parking is free. Jeffrey believes in providing the highest quality and ethical legal services to men who are experiencing divorce, as well as spousal and child support, and child custody problems. He strives to provide these services efficiently, effectively, and promptly always with the client's needs in mind.
