

DVD Disc 1

DVD 1: PRE-PLANNING! - HIRING & MANAGING YOUR ATTORNEY

Know the tactics your soon-to-be-ex can use to make you lose! Learn the art of pre-planning your way to victory! Learn simple but powerful ways to get your spouse out of the house, to keep yourself out of jail, to find & manage the best attorney for your case.

Here's a few of the many brutal tactics you'll discover on disc 1:

- Know the signs to look for to see if your spouse is planning a divorce.
- Get some eye opening advice on why arguing and talking about divorce is the worst thing you can do.
- Learn why a successful divorce is about pre-planning for men – and about laws for women.
- Discover how filing your papers at the wrong time can cripple your lawyer's negotiating power.
- Get rare information on how to deal with the police, should there be an incident.
- Recieve no-nonsense advice on whether a restraining order is really the best way to get your spouse out of the house.
- Learn if your spouse can use voicemail, answering machine messages and emails against you.
- Understand why men who wait to call an attorney set themselves up for a loss.
- Learn everything you need to know to hire & manage the best attorney in your area.
- Learn how working with your attorney the wrong way can cost you thousands.
