

DVD Disc 2

DVD 2: HER BRUTAL TACTICS! Take advantage of this information packed disc that reveals the dirty tactics that wives and their attorneys have used - and can use again against their husbands! Learn powerful ways to fight back and defeat these dirty tactics!

Here's a few of the many brutal tactics you'll discover on disc 2:

- Find out what your wife's attorney is doing to prepare her to win.
- Learn step by step all of the horrific things that could happen to you if you sleep just one time with your wife after she moves out.
- Understand why your records and papers are your biggest vulnerability.
- We give you straight to the point information on how to avoid paying for your wife's attorney.
- Learn how your wife can hide money and purchase assets.
- Discover the revealing information of how your wife can conveniently become unemployed so she can get alimony from you.
- Learn what to do if your wife uses a private investigator (who knows the divorce game) and pays him with your money.
- Learn the closely guarded secrets of combating experts who may testify against you on behalf of your wife.
- If you start dating someone before your divorce is final, we got advice for you so you won't get into trouble.
- Learn what to do if she is convincing your kids to be with her and not you.
