

DVD Disc 3

DVD 3: KEEPING YOUR MONEY & PROPERTY SAFE ...FROM HER ! Learn the tactics to protect your financial prosperity. Learn secrets from the pros on how to hold onto your house, cars, money and all other assets.

Here's a few of the many brutal tactics you'll discover on disc 3:

- Learn which of your possessions are most at risk.
- Discover all the money trails that she could possibly unearth of yours.
- Find out how your track record of tax returns can be used against you.
- Learn what to do if she has your bank accounts frozen.
- Discover if your "toys" are more important than your bank account.
- Learn how you can safeguard all your future valuables.
- Get valuable advice on how to protect your personal credit from getting destroyed.
- Learn why trying to make money when you think divorce is coming is the worst thing to do.
- Learn how hiding your money can cost you thousands.
- If your ex is asking for alimony, find out your chances if it'll be awarded.
